Tecelra® Cell Therapy Treatment Centers
ETS Program Reference Guide

Emerging Therapy Solutions® (ETS) helps reinsurance and stop-loss payers, health plans, HMOs, and self-funded employers, along with third-party administrators and brokers, manage the risk associated with high-cost therapies for rare and complex conditions.

Programs listed here are qualified treatment centers (QTCs) for which ETS either may have contracted rates in place or may have access to rates through single case agreements for **Tecelra®** (afamitresgene autoleucel; afami-cel) which is approved to treat **Synovial Sarcoma**.

For assistance with your member referral or for more information, contact ETS at clientservices@emergingtherapies.com or 877-445-4822.
