

Casgevvy® Gene Therapy Treatment Centers

ETS Program Reference Guide

Emerging Therapy Solutions® (ETS) helps reinsurance and stop-loss payers, health plans, HMOs, and self-funded employers, along with third-party administrators and brokers, manage the risk associated with high-cost therapies for rare and complex conditions.

Programs listed here are authorized treatment centers (ATCs) for which ETS either may have contracted rates in place or may have access to rates through single case agreements for **Casgevvy** (exagamglogene autotemcel) which is approved to treat **sickle cell disease** and **transfusion-dependent beta thalassemia**.

For assistance with your member referral or for more information, contact ETS at 877-445-4822 or by email at clientservices@emergingtherapies.com.
